## S.S.A.R.C. Training Net Log

Net Control Stations, this log has been put in place to help you be more efficient in record keeping while running the net. Please be sure to keep an accurate count of your check-ins, Announcements, and traffic being passed on this Net.

After the Net you can contact the Net Manager and/or the Asst. Net Manager to pass you Net report, this can be counted as traffic being passed on your Net Report. Pass this information on your net report: SES= total checking, QNI = Net session *r* QTC = Traffic passed. If you have any questions please contact your Net Manager/Asst. D.D.C. Roger Parsons at <a href="KK4UDU@SSARC-AL.ORG">KK4UDU@SSARC-AL.ORG</a>
